Misty Penton is the Education Director for The Museum at Fred George Park and Greenway operated by Wildwood Preservation Society. She holds a Master of Science degree from the University of Oregon in Physical and Biological Anthropology and two Bachelor in Science degrees from Florida State University in Political Science and Anthropology

Ms. Penton grew up near the property now contained in the Leon County Fred George Park and Greenway and created a coalition to help found the new county park. She is a community environmental advocate and a tradition keeper and storyteller for the Muscogee Nation of Florida. She is also the Museum Director/Curator at Muscogee Nation Of Florida and an Education Specialist at WFSU Public Media.

A part of the NEA Big Read - Leon County.

NEA Big Read is a program of the National Endowment for the Arts in partnership with Arts Midwest.
